## William Burke ART

Design-wise

- Ink, monochrome (mostly), blends with various hatching or line techniques

- Digital, but sketchy look

- white lines/outlines used.

Process - (as seen from his few speedpaints)

- Base shape sketch → blacks out certain parts → erases/whitens shapes for contrast, key lighting

- Lines Add texture + shade.

Main technique Analysis!

Recent works:

more brush texture with more contrast painting

~~texture~~ brush strokes, add texture

- Brush - strokey - sketchy? (not complete erasing but -

Darkest  
shade

- use white outlines
