

# JALTEN FILES

- Haunted animatronics with humans inside
- part real-life (uncanny valley), cartoon, animated
- Real-faces shows are edited to be unnatural to provide discomfort, & horrifying when needed

Example

- Story of multiple people dying & being shifted in animatronic from looking animal. (Bon)
- Flashing images, implied gruesome deaths

- Digitally:
- Snake tool
  - Blur tool
  - Various saturation tools
  - Paint brush

- Cartoon imagery
- Creepy implications
- Sounds
- = unsettling

- A tragic story

- two kids die, buried secretly
- Husband missing after car crash
- Wife goes missing trying to find husband
- 2 workers searching warehouse die
- Intro death of series
- Also side story death of another character
- last daughter w/ amnesia remembers mom.

## Scenes

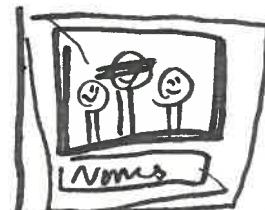

"The rabbit is ~~staring~~ standing"  
 ↳ runs around to find exit,  
 ↳ ends up crying and looks at viewer  
 ↳ cartoon rabbit

Verge of death  
 + black and white  
 + breaking  
 + text

"i am still alive, but i can't move"  
 "and i'm having trouble breathing"  
 "and my stomach feels weird"

- middle is dead  
 - 2 did not know what happen.

- shaking eyes  
 - Breathing

- breathing  
 - vocal  
 - bloody  
 - no scream yet.

- saturation RED  
 - scream (delayed)  
 - saturation looks more fright image

humor to reveal

smudged face.

- The size portions and design of animatronic

Not child friendly designs NSI

Final prod...

- Visual novel-like game?

- THE ROOM
